IL MIO VOCABOLARIO: LA LA CAMPAGNA

Queste schede hanno lo scopo di stimolare il ricordo dei nomi di alcuni oggetti che ritroviamo quotidianamente nelle nostre campagne. Ciò dovrebbe contribuire a migliorare la ricchezza del vocabolario presente nell'anziano.

Queste schede sono triple. Nella prima, sotto l'immagine, è presente il nome dell'oggetto. Questa scheda è stata chiamata *scheda con aiuto verbale*. Nella seconda vengono riproposte le stesse immagine ma bisogna collegare il nome all'oggetto rappresentato (*scheda associazione nome – oggetto rappresentato*), nella terza scheda bisogna dire il nome dell'oggetto senza avere alcun aiuto (*scheda senza aiuto verbale*). Nel caso in cui l'anziano in quest'ultima scheda non dovesse ricordare il nome, ha la possibilità di ritrovarlo nelle schede precedenti.

Giacché le capacità di lettura vengono conservate anche in uno stadio abbastanza avanzato di demenza, l'anziano potrà utilizzare questo strumento per ricordare i nomi che sono stati dimenticati o rischiano di esserlo.
